

JORDAN RUDESS KEYBOARD MADNESS

Mastering Live Performance

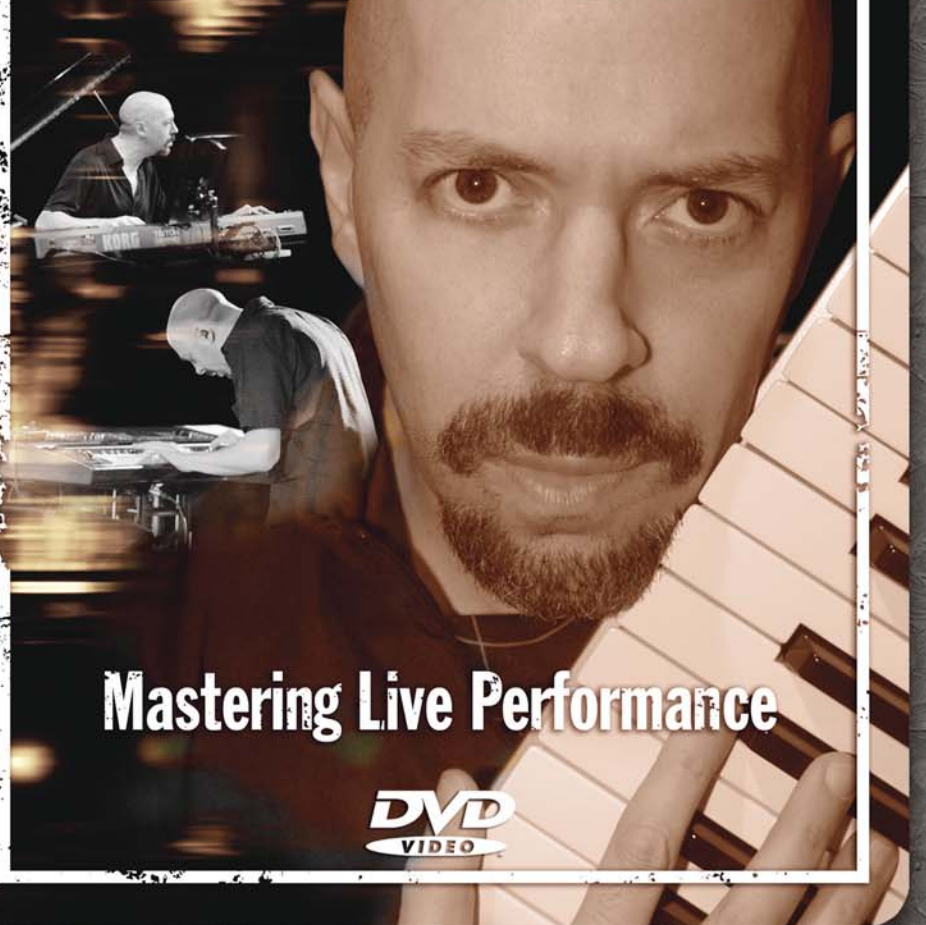

Critically acclaimed keyboard artist and educator Jordan Rudess, takes a deep look inside the world of live keyboard performance and shares his knowledge of what it takes to become a true keyboard master. Get an in depth look at his unique approach to performance with Dream Theater, using examples spanning across the entire Dream Theater catalog as well as Jordan's numerous solo projects. Enjoy watching the wizard at work, while learning how to harness the power of today's keyboard technology. Jordan also shares his warm-up routine through a series of technical exercises that will sharpen your skills and get you ready to play. Also included is close-up bonus footage of Jordan performing three songs from his solo album, "Rhythm of Time." This DVD is jam packed with two hours of pure "keyboard madness!"
